— ISPS QUAY

Digital check, safe & efficient.

Introduction

For ISPS compliant seagoing vessels, an access procedure applies at Nobel's quay via the Ship2Port platform.

Visitors are granted access only after registration and ID-verification through Ship2Port. Once registered with Ship2Port, you can request a digital boarding pass directly from your phone.

❗ When are the gates closed?

Only when an ISPS compliant seagoing vessel is moored at the quay. If no ISPS compliant seagoing vessel is present, the gates remain open for regular visitors, such as inland shipping vessels.

— STEP 3

Verify.

After registration and approval, the boarding pass will appear in the app. To use this boarding pass, you must take a selfie, which will be automatically verified against the previously submitted ID documents.

— STEP 4

Get access.

Once the selfie matches the identity documents, a QR code will appear on the boarding pass. This code can be scanned at the gate to gain access to the requested ISPS quay of Nobel.
